

Banners designed by James O'Hanlon

The **banners** were designed by artists specially for **Bradwell Common** to help develop an identity for the estate. In 2007 - 08 artists worked with local groups and schools using digital photography to identify the ideas and themes which inspired the banners design. The 'On the Verge project', a public art project, commissioned the banners.

For information about the project go to: <http://www.ontheverge.org.uk>
or contact : onthevergemk@hotmail.co.uk

The project is supported by: Abbey Charitable Trust, Campbell Park Parish Council, Awards for All, Midsummer Housing, Culture MK, Local Network Fund, Milton Keynes Community Foundation, Arts Gateway.
