**On the Verge - Gateways**, a public art project, is looking for your ideas for the gateways connecting your estate to Central Milton Keynes, or to another estate. Gateways such as on the verge of main roads, underpasses and footbridges.

**We want your ideas!**

Your ideas will inspire artists to produce artworks that will help to develop an identity and sense of place for your neighbourhood. All your fantastic ideas will be displayed at a local meeting place for the local people and the artists to discuss.

**MK40 celebration**

We would like to start celebrating the estate where you live with a set of unique banners to mark a gateway from your estate.

Please write down or draw on the blank banner overleaf and tell us what the best things on your estate are.

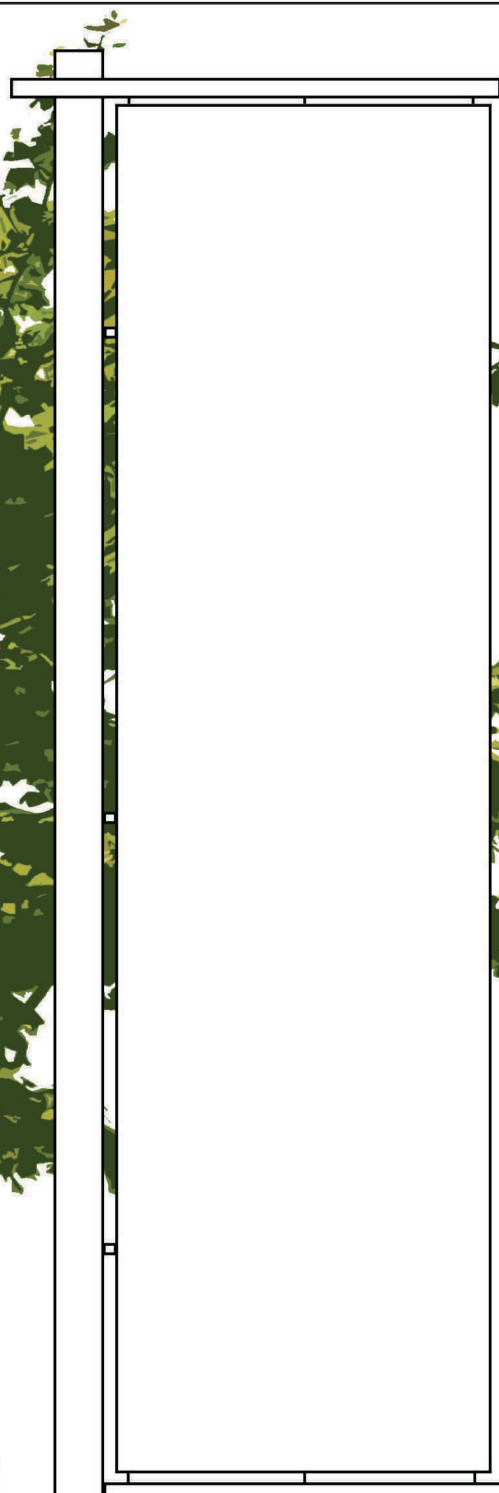

Thank you
